We have a range of social and environmental training programs to educate our employees on our policies and standards and how they are applied in practice. Our online Social and Environmental Risk training, covers our Sustainability Framework, Sensitive Sector requirements and our approach to human rights. Our Social and Environmental Risk Policy, supported by "sensitive sector" requirements adopts a principles-based risk framework which is applied to decision-making in sensitive transactions across the industries. We support customers that demonstrate a balanced approach to social, environmental and developmental impacts and we encourage customers to adopt management practices to continuously improve their social and environmental performance. ANZ supports customers that use internationally accepted industry management practices to manage social, environmental and economic impacts (including effects on human rights, biodiversity, cultural heritage, indigenous rights, health and safety, governance and environmental sustainability).

## Shared Responsibility

*The Board of Governors of the Roundtable on Sustainable Palm Oil approved new Shared Responsibility rules on 31 October 2019, requiring all members to share sustainability requirements and obligations. Reporting of Shared Responsibility indicators will be done through several channels, including ACOP. As the implementation of Shared Responsibility reporting is still on-going and in development, the Shared Responsibility section in ACOP is not yet final and may change in future ACOP cycles. For more information on Shared Responsibility, please go to <https://rspo.org/news-and-events/news/what-are-the-new-shared-responsibility-rules> or email the ACOP team at [acop@rspo.org](mailto:acop@rspo.org)*
