- RSPO Mass Balance (MB) or RSPO Segregated (SG) certificates that comply with requirements of customers concerned; ISCC-EU certificates to comply with European union regulations on biofuels;

This policy, drawn up in the context of combined efforts with an NGO, The Earthworm Foundation (EF), applies to all the palm oil purchased by different Group subsidiaries. Moreover, Avril aims at assuring a 100% traceability back to the mills for all its palm oil purchases and contributes to transformation on the field by financially supporting on-the-ground programmes, including EF's APT Programme in Indonesia.
