2. Palm Oil and Certified Sustainable Palm Oil Consumption

Information in Section 2.0 - Palm Oil and Certified Sustainable Palm Oil Consumption - is a mandatory declaration in your ACOP. This includes volume data on palm oil, palm kernel oil and related products consumed, to enable the RSPO to accurately calculate uptake of individual members, sectors and RSPO members as a whole. ACOP reports without reported volume data will be considered as incomplete and will not be accepted. Incomplete ACOP reports may lead to suspension or termination of RSPO membership.

2.1 Please list down all operations and subsidiaries using palm oil, palm kernel oil and related products that are owned and/or managed by the member, including those under Group Membership

It is of the missions of our Purchasing Department and Group CSR Department to raise internal awareness on the possible social and environmental impacts of main commodities production cycles, forest-related commodities. Our commodity purchasing experts are being informed of the traceable and sustainable options and solutions made available to guarantee the best responsible standards. Internal final users of these ingredients and commodities, and related decision makers, are presented with such options. Through this process, our internal experts engage dialogue with external suppliers of such commodities on certified volumes possibilities.

The Lactalis Group is currently discussing with an international NGO on the materials that may be the cause of imported deforestation, in order to define commitments and the deadlines to achieve them. This work aims to implement a continuous improvement approach to preserving biodiversity and reducing deforestation linked to the use of certain raw materials including palm oil.

Shared Responsibility

The Board of Governors of the Roundtable on Sustainable Palm Oil approved new Shared Responsibility rules on 31 October 2019, requiring all members to share sustainability requirements and obligations. Reporting of Shared Responsibility indicators will be done through several channels, including ACOP. As the implementation of Shared Responsibility reporting is still on-going and in development, the Shared Responsibility section in ACOP is not yet final and may change in future ACOP cycles. For more information on Shared Responsibility, please go to https://rspo.org/news-and-events/news/what-are-the-new-shared-responsibility-rules or email the ACOP team at acop@rspo.org
