5. Actions for Next Reporting Period

5.1 Please outline activities that your company will take in the coming year to promote the production or consumption of certified sustainable palm oil (CSPO)

We will be to continue to socialize our requirements with all of our top suppliers explaining the key points and definitions. We will also use this interaction to request traceability information from these suppliers. We expect that our suppliers will develop their own commitments for responsible palm sourcing (if not already established), or commit in writing to meet our requirements. Subsequently, we will meet regularly with our top direct suppliers to track their actions taken to comply with our commitment. We are going to promote the use of RSPO certified sustainable palm oil by using RSPO trademark logo on labels of RSPO MB certified products, by using RSPO Trademark on our Company website and by promoting our RSPO MB certified products by sales managers to all customer from cosmetic sector. We also want to gradually increase the number of products in which we will use certified palm oil.

Shared Responsibility

The Board of Governors of the Roundtable on Sustainable Palm Oil approved new Shared Responsibility rules on 31 October 2019, requiring all members to share sustainability requirements and obligations. Reporting of Shared Responsibility indicators will be done through several channels, including ACOP. As the implementation of Shared Responsibility reporting is still on-going and in development, the Shared Responsibility section in ACOP is not yet final and may change in future ACOP cycles. For more information on Shared Responsibility, please go to <https://rspo.org/news-and-events/news/what-are-the-new-shared-responsibility-rules> or email the ACOP team at acop@rspo.org
