1. Operational Profile

1.1 What are the main activities of your organisation?

Our mission is to protect nature and inspire people to care for our world. With this we specifically focus on bringing awareness to the need to protect orangutans and their habitat, which is being destroyed by unsustainable palm oil plantations. We encourage our guests to support companies committed to sustainable palm oil. We do this through exhibits, programs, videos and face to face interpretation with guests.

1.2 What activities has your organisation undertaken to publicise programmes to support the RSPO, RSPO certification, the uptake of RSPO-certified sustainable palm oil and oil palm products, or to support good standing RSPO members during the reporting period?

We have a small sign and an interactive kiosk in the Orangutan Center promoting the RSPO and their efforts in creating a sustainable palm oil industry.

1.3 What percentage of your organisation's overall activities focus on palm oil?

5%

1.4 Did members of your organisation participate in RSPO working groups and/or taskforces during the reporting period?

No

1.5 Does your organisation have any collaborations with public or private sector palm oil industry players to support them in their efforts to increase the production or consumption of certified sustainable palm oil (CSPO)?

No

1.6 How is your organisation's work on palm oil funded?

We are a non-profit organization and our funds come from donations, grants and revenue from visits or programs.

2. TimeBound Plan

2.1 Which year did your organisation start or expects to start participating in RSPO working groups and/or taskforces?

2022

2.2 Which year did your organisation start or expects to start undertaking and publicising programmes to support the RSPO, RSPO certification, uptake of RSPO-certified sustainable palm oil and oil palm products and/or good standing RSPO member?

2013

3. Actions for Next Reporting Period

3.1 Please outline activities that your organisation will take in the coming year to promote the production or consumption of certified sustainable palm oil (CSPO)

With the opening of the Global Center for Species Survival in partnership with the IUCN, we hope to be more involve globally in this effort. The center is so new so we are unsure what the direct activities will be. We will be developing a stronger relationship with the IUCN Palm Oil Task Force.

Shared Responsibility

The Board of Governors of the Roundtable on Sustainable Palm Oil approved new Shared Responsibility rules on 31 October 2019, requiring all members to share sustainability requirements and obligations. Reporting of Shared Responsibility indicators will be done through several channels, including ACOP. As the implementation of Shared Responsibility reporting is still on-going and in development, the Shared Responsibility section in ACOP is not yet final and may change in future ACOP cycles. For more information on Shared Responsibility, please go to <https://rspo.org/news-and-events/news/what-are-the-new-shared-responsibility-rules> or email the ACOP team at acop@rspo.org
