3. TimeBound Plan

3.1 Which year did your company achieve (or expects to achieve) the RSPO supply chain certification?

2024

3.2 Which year did your company begin (or expects to begin) using RSPO-certified sustainable palm oil and palm oil products in own-brand products

2024

3.2.1 If the previous target year has not been met, please explain why.

Munchy is favourable in meeting the RSPO supply chain certification in supporting the calls of the environmental protection. The target year set is facing high challenges from the demands of the consumers who has minimal awareness of RSPO. Consumers may find it unnecessary to have the said certification. The company will also face higher cost in adhering to the requirements of the certification. This could lead the company losing its competitiveness to the non-RSPO certified member and affecting the company's business growth and revenue. Should the cost of the RSPO resources be maintained or reduced, the company will definitely be able to meet the target year of implementation.

3.3 Which year did your company begin (or expects to begin) using 100% RSPO-certified sustainable palm oil and palm oil products from any supply chain option in own-brand products.
