8. Actions For Next Reporting Period

8.1 Outline activities that your company will undertake in the coming year to advance its certification efforts.

Internal:

(1). Increased frequency and intensity of sustainability training for workers and staff; (2). Established internal control system to highlight areas where there are policy or implementation compliance issues and provide feedback for continuous improvements in achieving best practice standards in all areas of the business; (3). Finalise RaCP with RSPO to enable further business units to become certified on time according to the time bound plan.

External:

(1). Increased the effectiveness of social relations with all stakeholders so that they can participate and have a benefit from the certification program; (2). Continue to encourage the participation of independent smallholder in the sustainability certification through initiatives and consultative programs.

8.2 Outline activities that your company will undertake in the coming year to promote the uptake CSPO along the supply chain.

'In line with smallholder certification efforts we will continue to promote the benefits of certification to all smallholder suppliers of FFB to our mills. By achieving RSPO certification for our third mill this will enable us to offer more suppliers the chance to become certified and increase the supply of CSPO into the supply chain. We will continue to work with our customers to explore market opportunities for CSPO and to promote the availability of increasing quantities of CSPO to potential new customers through engagement with industry bodies and conferences / workshops.
