1. Operational Profile

1.1 What are the main activities of your organisation?

We produce the elite oil palm planting materials and commercially distribute to a nursery and grower. The same time, we educate and train a nursery and farmer for good agricultural practice and environment conservation.

1.2 What activities has your organisation undertaken to promote sustainable palm oil, the RSPO and/or RSPO members in the reporting period?

We involve in training and exhibits the related knowledge and practice to the member.

1.3 What percentage of your organisation's overall activities focus on palm oil?

90.0%

1.4 Did members of your organisation participate in RSPO working groups and/or taskforces in the reporting period?

Yes

1.5 Does your organisation have any past or on-going collaborations with public or private sector palm oil industry players to support them in their efforts to increase the production or consumption of certified sustainable palm oil (CSPO)?

Yes

1.6 How is your organisation's work on palm oil funded?

We don't focus on funding.

2. Actions for Next Reporting Period

2.1 Please outline activities that your organisation will take in the coming year to promote the production or consumption of certified sustainable palm oil (CSPO)

We keep on training and educating a nursery and grower and attracting them for RSPO awareness and consumption of CSPO. Further, our planting materials are the best among the oil production per unit area, increasing the profit margin while using less space. The materials are also the environment tolerance for climate and partially disease-resistant performance. Hence, all that is serving the sustainable arena.

Challenges and Support

1.1 What significant obstacles or challenges has your company encountered in the promotion of certified sustainable palm oil (CSPO)? What efforts has your company taken to address these obstacles or challenges?

- Awareness of RSPO in the market
- Difficulties in the certification process
- Certification of smallholders
- Competition with non-RSPO members
- High costs in achieving or adhering to certification
- Human rights issues
- Insufficient demand for RSPO-certified palm oil
- Low usage of palm oil
- Reputation of palm oil in the market
- Reputation of RSPO in the market
- Supply issues
- Traceability issues
- No challenges faced

The members focus on the benefits of return earning through the sole RSPO, however, there is no tangible value on the overall returns on the sustainability view. There is a gap to attract growers.

1.2 In addition to the actions already reported in this ACOP report, what other ways has your company supported the vision of the RSPO to transform markets to make sustainable palm oil the norm?

- Engagement with business partners or consumers on the use of CSPO
- Engagement with government agencies
- Promotion of CSPO outside of RSPO venues such as trade workshops or industry associations
- Promotion of physical CSPO
- Providing funding or support for CSPO development efforts
- Research & Development support
- Stakeholder engagement
- No actions taken
