5. Actions for Next Reporting Period

5.1 Please outline activities that your company will take in the coming year to promote the production or consumption of certified sustainable palm oil (CSPO)

In order to promote the production and consumption of certified sustainable palm oil, Upfield will continue to maintain our commitment to sourcing 100% sustainable palm oil; Upfield will maintain and adhere to our comprehensive Sustainable Palm Oil Policy including commitments and principles on no deforestation, no development on peat, no exploitation, driving positive social and economic impact for smallholders and ensuring transparency and advocacy; Upfield will continue to engage with relevant 3rd parties such as NGOs, Governments and Businesses to promote the uptake of CSPO.
Shared Responsibility

The Board of Governors of the Roundtable on Sustainable Palm Oil approved new Shared Responsibility rules on 31 October 2019, requiring all members to share sustainability requirements and obligations. Reporting of Shared Responsibility indicators will be done through several channels, including ACOP. As the implementation of Shared Responsibility reporting is still on-going and in development, the Shared Responsibility section in ACOP is not yet final and may change in future ACOP cycles. For more information on Shared Responsibility, please go to https://rspo.org/news-and-events/news/what-are-the-new-shared-responsibility-rules or email the ACOP team at acop@rspo.org

Yes

1.7.1 Does this support cover:

- Fair and transparent dealings with Smallholders
- Improved Smallholder livelihoods

1.7.2 How is your company supporting them?

Principle 4 of our policies lays out our commitment to drive positive social and economic impact for smallholders and women while protecting forests. One example of how we achieve this is through funding for smallholder farmer projects in partnership with suppliers. Upfield provides financial support to one such project called MARIPOSA Friends of Sustainable Palm, aimed at implementing sustainable practices within Latin America. A local NGO, NES Naturaleza, works with 1,800 smallholder farmers who grow palm on over 20,000 hectares of land in Honduras, supplying four palm oil mills. Farmers receive training in sustainable growing practices, the principles of no deforestation, entrepreneurial skills, financial management and data intelligence. Over 200 training sessions will be run over the three years and with the ambition that over half of the participants will be able to achieve certification to RSPO standards as a result.
