1. Operational Profile

1.1 What are the main activities of your organisation?

Wetlands International protects and restores wetlands for nature and people. We initiate, develop and deliver wetland restoration throughout the world and work with global organisations such as GPI and UN to ensure that policy drivers, including Climate Change commitments, facilitate wise-use of peatlands.

1.2 What activities has your organisation undertaken to publicise programmes to support the RSPO, RSPO certification, the uptake of RSPO-certified sustainable palm oil and oil palm products, or to support good standing RSPO members during the reporting period?

We have been working with RSPO to deliver the 'Drainability assessment method' and train local assessors and staff. Covid has delayed face-to-face training during 2020

1.3 What percentage of your organisation's overall activities focus on palm oil?

5%

1.4 Did members of your organisation participate in RSPO working groups and/or taskforces during the reporting period?

Yes

1.5 Does your organisation have any collaborations with public or private sector palm oil industry players to support them in their efforts to increase the production or consumption of certified sustainable palm oil (CSPO)?

No

1.6 How is your organisation's work on palm oil funded?

Wetland International is an NGO that receives funding from a variety of sources. Our country teams, such as in Indonesia and Malaysia are often own legal entities and attract their own funding. So high level membership duties are coming for central funding sources, and bespoke projects, such as the development and training of the 'drainability' assessment is direct project funded.

2. TimeBound Plan

2.1 Which year did your organisation start or expects to start participating in RSPO working groups and/or taskforces?

2010

2.2 Which year did your organisation start or expects to start undertaking and publicising programmes to support the RSPO, RSPO certification, uptake of RSPO-certified sustainable palm oil and oil palm products and/or good standing RSPO member?

2010

3. Actions for Next Reporting Period

3.1 Please outline activities that your organisation will take in the coming year to promote the production or consumption of certified sustainable palm oil (CSPO)

In 2021 we will focus our work to continue with RSPO partners to improve and train staff on the use of the 'Drainability' assessment

Shared Responsibility

The Board of Governors of the Roundtable on Sustainable Palm Oil approved new Shared Responsibility rules on 31 October 2019, requiring all members to share sustainability requirements and obligations. Reporting of Shared Responsibility indicators will be done through several channels, including ACOP. As the implementation of Shared Responsibility reporting is still on-going and in development, the Shared Responsibility section in ACOP is not yet final and may change in future ACOP cycles. For more information on Shared Responsibility, please go to <https://rspo.org/news-and-events/news/what-are-the-new-shared-responsibility-rules> or email the ACOP team at acop@rspo.org
