We hold sustainability meetings with customers and suppliers which include overview of RSPO certification standards (the positive environmental and social attributes) and the various supply chain options and the benefits of buying CSPO. We are also encouraging the financial community to review their policy on their palm oil clients to upgrade requirements from RSPO membership to certification achievement within a reasonable time-bound plan. We are working on initiatives to help independent smallholders achieve certification and thereafter, linking their certified volumes to the end markets

Shared Responsibility

The Board of Governors of the Roundtable on Sustainable Palm Oil approved new Shared Responsibility rules on 31 October 2019, requiring all members to share sustainability requirements and obligations. Reporting of Shared Responsibility indicators will be done through several channels, including ACOP. As the implementation of Shared Responsibility reporting is still on-going and in development, the Shared Responsibility section in ACOP is not yet final and may change in future ACOP cycles. For more information on Shared Responsibility, please go to <https://rspo.org/news-and-events/news/what-are-the-new-shared-responsibility-rules> or email the ACOP team at acop@rspo.org
