## 5. Actions for Next Reporting Period

### 5.1 Please outline activities that your company will take in the coming year to promote the production or consumption of certified sustainable palm oil (CSPO)

Yum! Brands will promote the use of RSPO certified sustainable palm oil by continuing reporting on ongoing commitments and discussing the importance of sustainable palm oil in combatting deforestation and GHG emissions. Our work will include the broadening of our understanding of the scope of sustainable palm oil use by participants in our global supply chain. This will be done in through the refinement of our data collection system as well as through discussions with key suppliers and purchasing co-ops. We will also continue to engage with the RSPO, including through participation in the Jurisdictional Working Group, in support of market transformation.

## Shared Responsibility

*The Board of Governors of the Roundtable on Sustainable Palm Oil approved new Shared Responsibility rules on 31 October 2019, requiring all members to share sustainability requirements and obligations. Reporting of Shared Responsibility indicators will be done through several channels, including ACOP. As the implementation of Shared Responsibility reporting is still on-going and in development, the Shared Responsibility section in ACOP is not yet final and may change in future ACOP cycles. For more information on Shared Responsibility, please go to <https://rspo.org/news-and-events/news/what-are-the-new-shared-responsibility-rules> or email the ACOP team at [acop@rspo.org](mailto:acop@rspo.org)*

#### Others

We have diligently pursued the Yum! sustainable palm oil goal since its inception within both our equity and franchise business. Yum! supply chain and sustainability teams have worked to increase awareness and encourage the transition to sustainable palm. As part of this process many partners have switched to sustainable palm oil providers. As of the end of 2019, 100% of the palm oil used for cooking comes from RSPO certified sources. We continue to partner with markets who have encountered economic challenges in moving to physical supply chain options.

### 1.2 In addition to the actions already reported in this ACOP report, what other ways has your company supported the vision of the RSPO to transform markets to make sustainable palm oil the norm?

- Engagement with business partners or consumers on the use of CSPO
- Engagement with government agencies
- Promotion of CSPO outside of RSPO venues such as trade workshops or industry associations
- Promotion of physical CSPO
- Providing funding or support for CSPO development efforts
- Research & Development support
- Stakeholder engagement
- No actions taken
- Others

#### Others

Yum! Brands engages with stakeholders, including suppliers, manufacturers and distributors, to increase understanding of sustainable palm oil and deforestation. All of environmental initiatives are examined through the lens of reducing GHG emissions and addressing climate change.
