in your ACOP. This includes volume data on palm oil, palm kernel oil and related products consumed, to enable the RSPO to accurately calculate uptake of individual members, sectors and RSPO members as a whole. ACOP reports without reported volume data will be considered as incomplete and will not be accepted. Incomplete ACOP reports may lead to suspension or termination of RSPO membership. 2.1 Please list down all operations and subsidiaries using palm oil, palm kernel oil and related products that are owned and/or managed by the member, including those under Group Membership
As a 100% franchised, global organization, Dunkin's supply chain is complex. In the U.S., Dunkin' franchisees purchase nearly all of their restaurant supplies from the National DCP, LLC (NDCP), a nonprofit, franchisee-owned and operated cooperative with distribution centers across the country. The NDCP is the exclusive procurement and distribution entity for Dunkin' restaurants in the United States and it sources only from suppliers approved by Inspire Brands.
2.1.1 In which markets does your company sell goods with palm oil and oil palm products?

our The per wil Ad	e continue to work with our franchisees, suppliers, and our partners at Rainforest Alliance and RSPO to continue gress against our palm oil commitments and targets. Like the past few years, we will be surveying and engaging with suppliers to make sure they can enable Dunkin' to main our 100% RSPO certified palm oil policy commitment. roughout this process we will be conducting risk analyses and supporting and measuring progress towards our 2025 key formance metrics. Within our verification work we utilize ArcGIS as a tool to examine palm oil mill risks. This year, we I be performing the verification again and will continue to examine palm oil mill risks in further detail with suppliers. ditionally we will be exploring feasibility of supply chain certification for the NDCP (our closed distribution model tem that supplies domestic Dunkin' franchisees).

Shared Responsibility

The Board of Governors of the Roundtable on Sustainable Palm Oil approved new Shared Responsibility rules on 31 October 2019, requiring all members to share sustainability requirements and obligations. Reporting of Shared Responsibility (SR) requirements will be done through ACOP and MyRSPO. As the process of verification of the reports is in development, the Shared Responsibility section in ACOP may change in future ACOP cycles. Evidence to show compliance to the SR requirements shall be uploaded via your membership profile in MyRSPO. Please login to your MyRSPO account and upload the relevant policies, plans and relevant reports there. If you do not have a policy or your policy does not cover all items, you will be required to provide a Declaration of Support for the relevant policy items in your MyRSPO profile. Additional information on the required policies and plans applicable to all sectors as well as the annual uptake targets for supply chain actors can be found on https://rspo.org/members/shared-responsibility or email the Shared Responsibility team at sharedresponsibility@rspo.org.
