Sobeys' Private Label Palm Oil Policy was initially released in 2015. The commitments made in this policy ended in the calendar year of 2021. In F'22, we have updated the policy (now called Sobeys Own Brands Palm Oil Sourcing Policy) with new commitments to source 100% physical trace palm oil (as defined by the Roundtable on Sustainable Palm Oil) by Dec 31 2025

Updates to the palm oil policy required engagement with internal stakeholders to align on the changes, given the increased ambition of the new commitments.

Additionally, we worked with our other Empire family brands, Longo's and Farm Boy, to collectively join Sobeys as members of the Roundtable on Sustainable Palm Oil. This involved reapplying to RSPO as a single Parent company, articulating our palm oil policies, and supporting educational webinars for internal teams as well as all suppliers on sustainable palm oil.
