1. Operational Profile

1.1 What are the main activities of your organisation?

Wetlands International protects and restores wetlands for nature and people. We initiate, develop and deliver wetland restoration throughout the world and work with global organisations such as GPI and UN to ensure that policy drivers, including Climate Change commitments, facilitate wise-use of peatlands.

1.2 What activities has your organisation undertaken to publicise programmes to support the RSPO, RSPO certification, the uptake of RSPO-certified sustainable palm oil and oil palm products, or to support good standing RSPO members during the reporting period?

We have been working with RSPO to deliver the 'Drainability assessment method' and train local assessors and staff. Covid has delayed face-to-face training during 2021

1.3 What percentage of your organisation's overall activities focus on palm oil?

5.0%

1.4 Did members of your organisation participate in RSPO working groups and/or taskforces during the reporting period?

Yes

1.5 Does your organisation have any collaborations with public or private sector palm oil industry players to support them in their efforts to increase the production or consumption of certified sustainable palm oil (CSPO)?

No

1.6 How is your organisation's work on palm oil funded?

Wetland International is an NGO that receives funding from a variety of sources. Our country teams, such as in Indonesia and Malaysia are often own legal entities and attract their own funding. So high level membership duties are coming for central funding sources, and bespoke projects, such as the development and training of the 'drainability' assessment is direct project funded.

2. TimeBound Plan

2.1 Which year did your organisation start or expects to start participating in RSPO working groups and/or taskforces?

2010

2.2 Which year did your organisation start or expects to start undertaking and publicising programmes to support the RSPO, RSPO certification, uptake of RSPO-certified sustainable palm oil and oil palm products and/or good standing RSPO member?

2010

In 2021 we will focus our work to continue with RSPO partners to improve and train staff on the use of the 'Drainability' assessment

Shared Responsibility

The Board of Governors of the Roundtable on Sustainable Palm Oil approved new Shared Responsibility rules on 31 October 2019, requiring all members to share sustainability requirements and obligations. Reporting of Shared Responsibility (SR) requirements will be done through ACOP and MyRSPO. As the process of verification of the reports is in development, the Shared Responsibility section in ACOP may change in future ACOP cycles. Evidence to show compliance to the SR requirements shall be uploaded via your membership profile in MyRSPO. Please login to your MyRSPO account and upload the relevant policies, plans and relevant reports there. If you do not have a policy or your policy does not cover all items, you will be required to provide a Declaration of Support for the relevant policy items in your MyRSPO profile. Additional information on the required policies and plans applicable to all sectors as well as the annual uptake targets for supply chain actors can be found on <https://rspo.org/members/shared-responsibility> or email the Shared Responsibility team at sharedresponsibility@rspo.org.
