2. Palm Oil and Certified Sustainable Palm Oil Consumption

Information in Section 2.0 - Palm Oil and Certified Sustainable Palm Oil Consumption - is a mandatory declaration in your ACOP. This includes volume data on palm oil, palm kernel oil and related products consumed, to enable the RSPO to accurately calculate uptake of individual members, sectors and RSPO members as a whole. ACOP reports without reported volume data will be considered as incomplete and will not be accepted. Incomplete ACOP reports may lead to suspension or termination of RSPO membership.

2.1 Please list down all operations and subsidiaries using palm oil, palm kernel oil and related products that are owned and/or managed by the member, including those under Group Membership
