About Your Organisation

1.1 Member Name

Fauna & Flora International (FFI)

1.2 Membership Number

6-0016-07-000-00

1.3 Membership Sector

Environmental or Nature Conservation Organisations (Non Governmental Organisations)

1.4 Membership Category

Ordinary

1.5 Country

United Kingdom

2.0 Does your company or organisation produce, process, consume or sell any palm oil or any products containing derivatives of palm oil?

No

2.2 Please select all the sectors that best describe the business activities of your company or organisation, including your primary RSPO membership sector. You may select multiple sectors and will be required to complete the ACOP form for the relevant sectors

- I am a bank or financial institution that finances or supports companies or organisations that produce or manufacture palm oil, palm kernel oil or related products
- I am a conservation and environmental NGO supporting the sustainable development of the palm oil industry
- I am a social and human development NGO supporting the sustainable development of the palm oil industry
- I am an Affiliate member of the RSPO, indirectly involved in the palm oil industry

NGOs

1. Operational Profile

1.1 What are the main activities of your organisation?

Fauna & Flora is the world's longest established international conservation organisation. Fauna & Flora works to conserve threatened species and ecosystems worldwide, working with local stakeholders to find solutions that are sustainable, based on sound science and take into account human needs. Our approaches include working with the communities closest to nature, strategic corporate engagement and partnerships, and working with governments, to inform policy and increase capacity for sustainable natural resource use and forest protection, environmental markets, and threatened species and habitat protection programmes.

1.2 What activities has your organisation undertaken to publicise programmes to support the RSPO, RSPO certification, the uptake of RSPO-certified sustainable palm oil and oil palm products, or to support good standing RSPO members during the reporting period?

A representative at Fauna & Flora was interviewed at the RT22 on the acceptance of the Shared Responsibility award, explaining why SR is important to Fauna & Flora, and promoting our involvement with RSPO.

1.3 What percentage of your organisation's overall activities focus on palm oil?

3.0%

1.4 Did members of your organisation participate in RSPO working groups and/or taskforces during the reporting period?

Yes

1.5 Does your organisation have any collaborations with public or private sector palm oil industry players to support them in their efforts to increase the production or consumption of certified sustainable palm oil (CSPO)?

Yes

1.6 How is your organisation's work on palm oil funded?

Mixed funding. For our work with RSPO we rely mainly on self-funding. For specific projects that involve palm oil we are funded by trusts, foundations and statutory funds.

2. TimeBound Plan

2.1 Which year did your organisation start or expects to start participating in RSPO working groups and/or taskforces?

2007

2.2 Which year did your organisation start or expects to start undertaking and publicising programmes to support the RSPO, RSPO certification, uptake of RSPO-certified sustainable palm oil and oil palm products and/or good standing RSPO member?

2007

3. Actions for Next Reporting Period

3.1 Please outline activities that your organisation will take in the coming year to promote the production or consumption of certified sustainable palm oil (CSPO)

- Training on sustainability topics, monitoring of implementation of sustainability topics
- Participation in RSPO Working Group or Task Forces;
- Support Independent Smallholders (ISH)
- Become a partner of the RSPO Smallholder Trainer Academy
- Provide technical support for Independent Smallholder Certification projects
- Involvement/direct investments in Jurisdictional/Landscape approach
- Promote and support Direct/collective investments in conservation and restoration initiatives
- Provide technical support support members with Remediation and Compensation (RaCP) process, direct/collective investments in conservation and restoration initiatives
- Allocating FTE to promote the production or consumption of certified sustainable oil palm products or
- Specific policies and action plans by the member to promote CSPO production or consumption in the upstream or downstream supply chain, including target dates or broader policies that include such efforts
- No activities planned
- Others

Shared Responsibility

The Board of Governors of the Roundtable on Sustainable Palm Oil approved new Shared Responsibility rules on 31 October 2019, requiring all members to share sustainability requirements and obligations. Reporting of Shared Responsibility (SR) requirements will be done through ACOP and MyRSPO. As the process of verification of the reports is in development, the Shared Responsibility section in ACOP may change in future ACOP cycles. Evidence to show compliance to the SR requirements shall be uploaded via your membership profile in MyRSPO. Please login to your MyRSPO account and upload the relevant policies, plans and relevant reports there. If you do not have a policy or your policy does not cover all items, you will be required to provide a Declaration of Support for the relevant policy items in your MyRSPO profile. Additional information on the required policies and plans applicable to all sectors as well as the annual uptake targets for supply chain actors can be found on <https://rspo.org/members/shared-responsibility> or email the Shared Responsibility team at sharedresponsibility@rspo.org.

Information & Public Availability

1.1 Does your organisation have organisational management documents publicly-available?

Yes

Ethical Conduct & Human Rights

1.2 Does your organisation have a publicly-available Policy covering Ethical Conduct & Human Rights?

Yes

1.2.1 Does the policy cover:

- Ethical conduct for contractors
- Ethical conduct for recruitment
- Respect of human rights, including for suppliers and sub-Contractors

Legal Compliance

1.3 Does your organisation comply with all applicable legal requirements?

Yes

1.4 Does your organisation require its third party contractors to comply with legal requirements, i.e. including a clause on legal compliance in the contracts?

Yes

Complaints & Grievances

1.5 Does your organisation have a Grievance Mechanism that is accessible to all affected parties?

Yes

1.5.1 Is your Grievance mechanism in line with the principles of the RSPO's Complaints System?

Yes

Smallholders**1.7 Does your organisation support oil palm smallholders (groups)?**

Yes

1.7.1 Does your organisation report on the actions to support the inclusion of smallholders?

Yes

Labour & Labour Rights**1.8 Does your organisation have a publicly-available policy covering Labour & Labour Rights?**

Yes

1.8.1 Does the policy cover:

- No discrimination and equal opportunities
- Pay and working conditions at least at legal or industry minimum standards and are sufficient to provide decent living wages (DLW)
- Freedom of association and Collective bargaining
- Protection of children, as well as the workforce of suppliers and third-party contractors
- Prevention of all forms of harassment, including sexual harassment
- No forced or trafficked labour

Occupational Health & Safety**1.9 Does your organisation have a publicly-available Policy covering Occupational Health & Safety?**

Yes

1.9.1 Does your organisation have a Standard Operating Procedure (SOP) for Occupational Health & Safety?

Yes

Waste Management**1.10b Does your organisation have a statement of intent to reduce, recycle, reuse and disposal based on the hazardous characteristics?**

Yes

Climate Change & Greenhouse Gas (GHG)**1.13 Does your organisation have a publicly-available policy covering Climate Change & Greenhouse Gas (GHG) including identification and assessment of GHG emissions and implementation of a plan to reduce or minimise them?**

Yes

Challenges and Support

1.1 What significant obstacles or challenges has your company encountered in the promotion of certified sustainable palm oil (CSPO)? What efforts has your company taken to address these obstacles or challenges?

- Awareness of RSPO in the market
- Difficulties in the certification process
- Certification of smallholders
- Competition with non-RSPO members
- High costs in achieving or adhering to certification
- Human rights issues
- Insufficient demand for RSPO-certified palm oil
- Low usage of palm oil
- Reputation of palm oil in the market
- Reputation of RSPO in the market
- Supply issues
- Traceability issues
- No challenges faced
- Others

Others

- The approval of the RACP project, especially we facilitated, takes time. Since the approval becomes a precondition for certification, this will become a problem for company who process their certification.
- There is no clear regulation-based guidance for the width of river buffer in Indonesia, yet. This guidance is important for the companies to follow to make sure in line with the RSPO requirement and government regulation

1.2 In addition to the actions already reported in this ACOP report, what other ways has your company supported the vision of the RSPO to transform markets to make sustainable palm oil the norm?

- Communication and/or engagement to transform the negative perception of palm oil
- Engagement with business partners or consumers on the use of CSPO
- Engagement with government agencies
- Engagement with peers and clients
- Promotion of CSPO through off product claims
- Promotion of CSPO outside of RSPO venues such as trade workshops or industry associations
- Promotion of physical CSPO
- Providing funding or support for CSPO development efforts
- Research & Development support
- Stakeholder engagement
- No actions taken
- Others

Others

- Fauna & Flora engage with several oil palm growers to facilitate the process of compensation and remediation under RSPO compensation mechanism. Our compensation project is to link the compensation fund to village forests through Payment for Ecosystem Services (PES) mechanism.
- Fauna & Flora engages with government agencies and several companies adjacent to Kendawangan Nature Reserve in West Kalimantan to carry out joint patrol to monitoring the orangutan and to prevent forest fire.
- As the continuation of last year, In partnership with oil palm companies, facilitating the implementation of compensation project to link their liabilities into village forest in West Kalimantan and Jambi Province.
- Regular engagement in the palm oil projects under the National Oil Palm Project for Uganda, providing input to HCV-HCS consultations

1.3 If your company has any other publicly-available reports or information regarding its palm oil-related policies and activities, please provide the links here
