### 1. Operational Profile

#### 1.1 What are the main activities of your organisation?

The Federation of Oils, Seeds and Fats Association (FOSFA) is an international trade organisation that facilitates and supports the global trading and shipping of vegetable and animal oils and fats, oilseeds, and their derivatives.

We create and maintain international standard contracts that offer legal protection to reduce associated risks and provide appropriate procedures for the settlement of disputes by arbitration, should they arise. We exist to facilitate and support the global trading and shipping of these commodities.
