There are currently no plans to apply the RSPO Trademark on any of our own brand of products as we are still relatively new to the use of sustainable palm oil. In 2021, we had only just begun purchasing physical RSPO Certified Sustainable Palm Oil ("CSPO"), in addition to the RSPO Credits, for about 100% of our annual palm oil usage. We will consider to apply the RSPO Trademark in the future for our own brand of products when we have made further significant progress in the use of CSPO.

Going forward, we will continue to explore the feasibility to purchase physical RSPO CSPO for greater proportion of our annual palm oil usage, if possible.

Shared Responsibility

The Board of Governors of the Roundtable on Sustainable Palm Oil approved new Shared Responsibility rules on 31 October 2019, requiring all members to share sustainability requirements and obligations. Reporting of Shared Responsibility (SR) requirements will be done through ACOP and MyRSPO. As the process of verification of the reports is in development, the Shared Responsibility section in ACOP may change in future ACOP cycles. Evidence to show compliance to the SR requirements shall be uploaded via your membership profile in MyRSPO. Please login to your MyRSPO account and upload the relevant policies, plans and relevant reports there. If you do not have a policy or your policy does not cover all items, you will be required to provide a Declaration of Support for the relevant policy items in your MyRSPO profile.
