Indonesia

### 2.0 Does your company or organisation produce, process, consume or sell any palm oil or any products containing derivatives of palm oil?

No

### 2.2 Please select all the sectors that best describe the business activities of your company or organisation, including your primary RSPO membership sector. You may select multiple sectors and will be required to complete the ACOP form for the relevant sectors

- I am a bank or financial institution that finances or supports companies or organisations that produce or manufacture palm oil, palm kernel oil or related products
- I am a conservation and environmental NGO supporting the sustainable development of the palm oil industry
- I am a social and human development NGO supporting the sustainable development of the palm oil industry
- I am an Affiliate member of the RSPO, indirectly involved in the palm oil industry

## Affiliates

### 1. Operational Profile

#### 1.1 What are the main activities of your organisation?

As a consultancy firm, we provide studies, assessments, and monitoring services that are required under RSPO requirements for our clients. We also provide technical assistances for improvement on effective sustainability implementations, such as trainings, consultancy services, and sustainability strategy development.

---

#### 1.2 What activities has your organisation undertaken to promote sustainable palm oil, the RSPO and/or RSPO members in the reporting period?

To our non-RSPO member client, we encourage them to join the RSPO membership and helped them in meeting their commitments to RSPO certification in their management units.

To our RSPO member client, we helped them by providing studies and strategy to be able to fulfil their commitment to RSPO certification in their management units.

---

#### 1.3 What percentage of your organisation's overall activities focus on palm oil?

80.0%

---

#### 1.4 Did members of your organisation participate in RSPO working groups and/or taskforces in the reporting period?

No

---

#### 1.5 Does your organisation have any past or on-going collaborations with public or private sector palm oil industry players to support them in their efforts to increase the production or consumption of certified sustainable palm oil (CSPO)?

Yes

---

#### 1.6 How is your organisation's work on palm oil funded?

As a consultancy firm, we provide studies, assessments, and monitoring services that are required under RSPO requirements for our clients. We also provide technical assistances for improvement on effective sustainability implementations, such as trainings, consultancy services, and sustainability strategy development.

---

## 2. Actions for Next Reporting Period

### 2.1 Please outline activities that your organisation will take in the coming year to promote the production or consumption of certified sustainable palm oil (CSPO)

We will continue providing studies, assessments, and monitoring services as well as technical assistances for our clients and whenever possible, encourage our non-member clients to join the RSPO membership. In addition, we look for opportunities to be able to extend our dedication on the sustainable implementation of palm oil production through exploring possible project mechanisms to obtain more effective and credible RaCP compensation concept implementation in Indonesia and, whenever possible, by being involved in the RSPO's working group, taskforce, or panel.

---

## Challenges and Support
