1. Operational Profile

1.1 What are the main activities of your organisation?

Community supported since 1888, Oregon Zoo provides exceptional experiences to guests to inspire them to create a better future for wildlife. From education programs to on-the-ground conservation efforts, the zoo is working to save species regionally and worldwide. The Oregon Zoo is community-funded through visitor admissions, public funds from Metro (a Portland-area regional government) and charitable donations to the Oregon Zoo Foundation.

The 64-acre Oregon Zoo is located in Portland, a city and surrounding metropolitan area and serves more than 1.5 million visitors each year. The zoo's annual operating budget is derived from a tax base through Metro, the Portland-area regional government that is the zoo's governing body, plus zoo admissions, concessions, contributions, special promotions, the Oregon Zoo Foundation and grants. The Zoo houses more than 2,00 individual animals representing 215 species or subspecies of birds, mammals, reptiles, amphibians, fish and invertebrates. Many species represented at the Oregon Zoo - including orangutans, tigers, elephants and chimpanzees - are threatened by the destruction of their tropical habitats for plantations that produce palm oil. The Oregon Zoo believes that advocating for more sustainable palm oil production and habitat destruction.

1.2 What activities has your organisation undertaken to publicise programmes to support the RSPO, RSPO certification, the uptake of RSPO-certified sustainable palm oil and oil palm products, or to support good standing RSPO members during the reporting period?

Oregon Zoo relays messages about sustainable palm oil to the 1.4 million visitors who come to the zoo through interpretive displays at both the orangutan, chimpanzee and Asian elephant exhibit. Orangutan and elephant keeper talks promote sustainable palm oil as a solution to help address the deforestation crisis facing both species.

The zoo's Small Actions website lets users explore how everyday decisions about what to buy and do can help protect many threatened and endangered species including advocating for sustainable palm oil use. Users can also spread messages about protecting wildlife through a customized social media sharing feature.

Shared Responsibility

The Board of Governors of the Roundtable on Sustainable Palm Oil approved new Shared Responsibility rules on 31 October 2019, requiring all members to share sustainability requirements and obligations. Reporting of Shared Responsibility (SR) requirements will be done through ACOP and MyRSPO. As the process of verification of the reports is in development, the Shared Responsibility section in ACOP may change in future ACOP cycles. Evidence to show compliance to the SR requirements shall be uploaded via your membership profile in MyRSPO. Please login to your MyRSPO account and upload the relevant policies, plans and relevant reports there. If you do not have a policy or your policy does not cover all items, you will be required to provide a Declaration of Support for the relevant policy items in your MyRSPO profile. Additional information on the required policies and plans applicable to all sectors as well as the annual uptake targets for supply chain actors can be found on <https://rspo.org/members/shared-responsibility> or email the Shared Responsibility team at sharedresponsibility@rspo.org.
