2.5 According to the volume information you have provided in Question 2.2 and Question 2.4, your company's Certified Sustainable Palm Oil uptake is:

3.42%

2.5.1 Please provide additional information on your certified palm oil, palm kernel oil and related products uptake. This may include your usage of RSPO Credits to cover gaps in certified uptake, changes due to business environment, variations due to stock positions or efforts to support independent smallholders beyond volume commitments.

The provided volume covers all palm oil requirements across all JFC brands globally. JFC recently became a member of the RSPO in 2023, and the commitment made is to transition 100% of palm oil used in the Philippines on or before 2030, and globally by 2035. RSPO-certified sustainable palm oil will gradually increase as the target dates come closer.
