#### 4. TimeBound Plan

4.1 Which year did your company achieve (or plans to achieve) its first RSPO P&C certification?

2023

4.2 Which year did your company achieve (or plans to achieve) 100% RSPO certification for all its estates and mills?

2028

4.2.1 If the previous target year for G.4.2 has not been met, please explain why

The previous objectives have not been met since the approval process of the concept note and the Remediation and Compensation is very complex and its review and approval took a long time, the Remediation and Compensation Plan was approved at the end of 2021. The year past were audited at SCC and we obtained certification in November 2022. The certificate for P&C 2018 was obtained in July 2023.

4.4 Which year did your company achieve (or plans to achieve) 100% RSPO certification for all FFB, regardless of source?

2030

4.4.1 If the previous target year for G.4.4 has not been met, please explain why

First of all, the objective is to certify the most advanced group of producers in the implementation of the RSPO standard and then incorporate the rest of the producers. The company has been delayed in achieving the certification of the first group of producers since an audit could not be requested due to the issue of Remediation and compensation.
