Our trading and sustainability teams have regular meetings and dialogue with our customers to explain Apica's Sustainability commitments and the values of the RSPO certification and CSPO to the supply chain. We also provide full support to our customers in their sustainable palm oil journey by providing relevant visibility and information of their supply chain and we regularly report and update progress on grievances found within the supply chain.

#### 4. Actions For Next Reporting Period

##### 4.1 Please outline activities that your company will take in the coming year to promote the production or consumption of certified sustainable palm oil (CSPO)

In order to encourage our suppliers to embark on RSPO journey, we have incorporated the RSPO requirements into our Priority Suppliers Engagement Programme, which is a programme designed to assess our prioritized suppliers' level of compliance with Apical, Sustainability Policy and other relevant industry requirements such as RSPO. In our Shared Value Programme (SVP), we deliver workshops for suppliers on a selection of topics that take into account regional issues specific to the location of suppliers. The SVP covers the latest market trends and how international certifications such as RSPO can be beneficial for their business. Aside from intensify our supplier engagement program to influence our suppliers to operate in accordance with our sustainability policy and RSPO best practices, we will also actively explore digitization solutions as a way forward to help our suppliers achieving their sustainability targets. In order to promote a more demanding market for certified palm oil and products, we will have more dialogues with our buyers on the sustainable products that we are able to produce by committing to sustainable palm oil production.

## 5. Shared Responsibility

*The Board of Governors of the Roundtable on Sustainable Palm Oil (RSPO) approved new Shared Responsibility rules on 31 October 2019, requiring all members to share sustainability requirements and obligations. Reporting of Shared Responsibility indicators will be done through several channels, including ACOP. As the implementation of Shared Responsibility reporting is still on-going and in development, the Shared Responsibility section in ACOP is not yet final and may change in future ACOP cycles. For more information on Shared Responsibility, please go to <https://rspo.org/news-and-events/news/what-are-the-new-shared-responsibility-rules> or email the ACOP team at [acop@rspo.org](mailto:acop@rspo.org)*
