2. Palm Oil and Certified Sustainable Palm Oil Consumption

Information in Section 2 - Palm Oil and Certified Sustainable Palm Oil Sourcing is a mandatory declaration in your ACOP. This includes volume data on palm oil and palm oil products consumed, to enable the RSPO to accurately calculate uptake on a member, sector and total level. ACOP reports without reported volume data will be considered incomplete and will not be accepted.

2.1 Please include details of all operations using palm oil, owned and/or managed by the member and/or all entities that belong to the group.

ACT Commodities is based in Amsterdam, New York, Paris and Shanghai. From these four locations ACT serves more than 8,000 customers all over the world, helping companies achieve environmental compliance, meet voluntary environmental goals and sell (bio)fuels, and renewable feedstocks. ACT's knowledgeable and service-oriented team sells certificates and physical products. With its independent position in the market, ACT facilitates an unbiased, consultative approach.

3.6 How does your company proactively promote RSPO and RSPO-certified sustainable palm oil and oil palm products to your customers?

We are daily active in the environmental commodities market and promote RSPO under our clients and new partners across our 4 offices in NY, Shanghai, Paris and Amsterdam! We believe in the scheme and daily pitch the benefits to our client portfolio globally and towards new clients, is it for physical or via RSPO Credits.

4. Actions For Next Reporting Period

4.1 Please outline activities that your company will take in the coming year to promote the production or consumption of certified sustainable palm oil (CSPO)

ACT will be actively calling and reaching out to its client base of 8.000 end clients around the world. Moreover, ACT will continue reaching out to new companies in order to promote the certification tool of RSPO. Moreover, ACT is considering to apply for the RSPO board and actively sponsor the RT Conference around the globe as attending the conferences.

5. Shared Responsibility

The Board of Governors of the Roundtable on Sustainable Palm Oil (RSPO) approved new Shared Responsibility rules on 31 October 2019, requiring all members to share sustainability requirements and obligations. Reporting of Shared Responsibility indicators will be done through several channels, including ACOP. As the implementation of Shared Responsibility reporting is still on-going and in development, the Shared Responsibility section in ACOP is not yet final and may change in future ACOP cycles. For more information on Shared Responsibility, please go to <https://rspo.org/news-and-events/news/what-are-the-new-shared-responsibility-rules> or email the ACOP team at acop@rspo.org
