**3.2 Which year did your company start (or expect to start) to source any RSPO-certified palm oil and oil palm products?**

2020

**3.2.1 If the previous target year for PT.3.2 has not been met, please explain why.**

Due to the fact that the approval of the concept note of our organization was not obtained before November 15, 2019 (date on which the version of the RSPO P&C Standard was changed), it was necessary to define a plan for I work to comply with the changes established in the 2018 version.

**3.3 Which year did your company achieve (or expects to achieve) 100% RSPO certification of all palm product processing facilities.**

2020

**3.3.1 If the previous target year for PT.3.3 has not been met, please explain why.**

Working with third parties (external RFF providers) has been a task that requires great efforts to achieve sustainability. Investments have been made in infrastructure and other projects that have required significant amounts of time and resources.

**3.4 Which year did your company begin (or expects to begin) sourcing only 100% RSPO-certified palm oil and oil palm products.**

2023

**3.5 If the TimeBound Plan commitments declared above do not cover all countries in which the member sells goods with palm oil or palm oil products, please explain why**

Currently the world is experiencing a health crisis caused by the COVID-19 pandemic, which has generated delays and changes in many of the activities and sectors worldwide.

**3.6 How does your company proactively promote RSPO and RSPO-certified sustainable palm oil and oil palm products to your customers?**

Through the implementation and dissemination with all our stakeholders of policies and efforts aimed at meeting the main objective of making all of our production socially, environmentally and economically sustainable. In addition, the culture generated through the search for compliance with the Principles and Criteria of the RSPO in our organization has promoted an improvement both for us and for all our collaborators and in all our activity, starting with our RFF suppliers until the sale and marketing. of our products.

#### 4. Actions For Next Reporting Period

##### 4.1 Please outline activities that your company will take in the coming year to promote the production or consumption of certified sustainable palm oil (CSPO)

## 5. Shared Responsibility

*The Board of Governors of the Roundtable on Sustainable Palm Oil (RSPO) approved new Shared Responsibility rules on 31 October 2019, requiring all members to share sustainability requirements and obligations. Reporting of Shared Responsibility indicators will be done through several channels, including ACOP. As the implementation of Shared Responsibility reporting is still on-going and in development, the Shared Responsibility section in ACOP is not yet final and may change in future ACOP cycles. For more information on Shared Responsibility, please go to <https://rspo.org/news-and-events/news/what-are-the-new-shared-responsibility-rules> or email the ACOP team at [acop@rspo.org](mailto:acop@rspo.org)*
