1. Operational Profile

1.1 What are the main activities of your organisation?

We transport goods and manage the transport of goods. We are a haulage company. We also are a freight forwarding company.

1.2 What activities has your organisation undertaken to promote sustainable palm oil, the RSPO and/or RSPO members in the reporting period?

We took care of all the products containing palm oil our Ordering Party gave us. We controlled the quality and quantity of the goods we received. If we had to store them in our warehouse, even for a short period, we took all proper measures to ensure the goods were in an adapted environment. Each time we shipped goods, we controlled the quantity and quality before loading, and at delivery. We did our best to guarantee the quality of the palm oil products.

1.3 What percentage of your organisation's overall activities focus on palm oil?

1.0%

1.4 Did members of your organisation participate in RSPO working groups and/or taskforces in the reporting period?

No

1.5 Does your organisation have any past or on-going collaborations with public or private sector palm oil industry players to support them in their efforts to increase the production or consumption of certified sustainable palm oil (CSPO)?

Yes

1.6 How is your organisation's work on palm oil funded?

We do not need specific funds to ensure the quality of the goods. It is part of our work as logistics and transport company.

2. Actions for Next Reporting Period

2.1 Please outline activities that your organisation will take in the coming year to promote the production or consumption of certified sustainable palm oil (CSPO)

We will pursue our controls and report any non-compliance to our Ordering Party and it will take the proper measures. And, if needed, we will act accordingly.

3. Challenges

3.1 What significant obstacles or challenges has your company encountered in the promotion of certified sustainable palm oil (CSPO)? What efforts has your company taken to address these obstacles or challenges?

- Awareness of RSPO in the market
- Difficulties in the certification process
- Certification of smallholders
- Competition with non-RSPO members
- High costs in achieving or adhering to certification
- Human rights issues
- Insufficient demand for RSPO-certified palm oil
- Low usage of palm oil
- Reputation of palm oil in the market
- Reputation of RSPO in the market
- Supply issues
- Traceability issues
- No challenges faced
- Others

Others

This is not applicable to our company. We are a transport company.

3.2 In addition to the actions already reported in this ACOP report, what other ways has your company supported the vision of the RSPO to transform markets to make sustainable palm oil the norm?

- Engagement with business partners or consumers on the use of CSPO
- Engagement with government agencies
- Promotion of CSPO outside of RSPO venues such as trade workshops or industry associations
- Promotion of physical CSPO
- Providing funding or support for CSPO development efforts
- Research & Development support
- Stakeholder engagement
- No actions taken
- Others

Others

We are convinced of the necessity to make sustainable palm oil the norm but are not involved enough to act significantly and share our views publicly.
