Yes

3.13 What other activities have your company undertaken to promote RSPO-certified sustainable palm oil and oil palm products during the reporting period?

In 2019, Rabobank had engaged with FIs in the S-East Asia region (specifically Indonesia and Malaysia) to raise awareness of the palm oil 'leakage' issues, to assist regional banks on how they can identify these players and to encourage them to cease providing financing to the supply chain.

4. Actions for Next Reporting Period

4.1 Please outline activities that your company will take in the coming year to promote the production or consumption of certified sustainable palm oil (CSPO)

In the coming year, Rabobank is working on an initiative where various 'actors' (processor / trader, NGO, FIs, consumer goods manufacturer) on the palm supply chain are approached to seek commitment. These actors will commit to contribute towards a sustainability fund. The fund will be administered by a social NGO and will be deployed to activities that can ensure that sustainable planting and sourcing can be achieved.

5. Shared Responsibility

The Board of Governors of the Roundtable on Sustainable Palm Oil (RSPO) approved new Shared Responsibility rules on 31 October 2019, requiring all members to share sustainability requirements and obligations. Reporting of Shared Responsibility indicators will be done through several channels, including ACOP. As the implementation of Shared Responsibility reporting is still on-going and in development, the Shared Responsibility section in ACOP is not yet final and may change in future ACOP cycles. For more information on Shared Responsibility, please go to <https://rspo.org/news-and-events/news/what-are-the-new-shared-responsibility-rules> or email the ACOP team at acop@rspo.org
