3.6 How does your company proactively promote RSPO and RSPO-certified sustainable palm oil and oil palm products to your customers?

Eurotrading offers RSPO-certified products to customers and keeps them updated as far as the availability of new RSPO-certified products is concerned. Since 2019, the majority of the PKO derived cosmetic raw materials has been available exclusively according to RSPO certification

4. Actions For Next Reporting Period

4.1 Please outline activities that your company will take in the coming year to promote the production or consumption of certified sustainable palm oil (CSPO)

We ever ask update to companies from which we buy products about the availability of new raw materials RSPO certified to increase the availability of certified products on the market. In September 2019, we also gained our supply chain certification according to Mass Balance supply chain model. For the coming year Eurotrading will be able to offer to customers more RSPO cosmetic raw materials

5. Shared Responsibility

The Board of Governors of the Roundtable on Sustainable Palm Oil (RSPO) approved new Shared Responsibility rules on 31 October 2019, requiring all members to share sustainability requirements and obligations. Reporting of Shared Responsibility indicators will be done through several channels, including ACOP. As the implementation of Shared Responsibility reporting is still on-going and in development, the Shared Responsibility section in ACOP is not yet final and may change in future ACOP cycles. For more information on Shared Responsibility, please go to <https://rspo.org/news-and-events/news/what-are-the-new-shared-responsibility-rules> or email the ACOP team at acop@rspo.org

- Awareness of RSPO in the market
- Difficulties in the certification process
- Certification of smallholders
- Competition with non-RSPO members
- High costs in achieving or adhering to certification
- Human rights issues
- Insufficient demand for RSPO-certified palm oil
- Low usage of palm oil
- Reputation of palm oil in the market
- Reputation of RSPO in the market
- Supply issues
- Traceability issues
- No challenges faced
- Others

Others

Sometime, it was difficult to satisfy the needs of the customers because of the lack of a specific cosmetic ingredient desired- Furthermore, the higher cost of RSPO-certified raw material is not always well accepted and understood by customers, because someone is not RSPO member and because someone prefers raw materials from other sources.

6.2 In addition to the actions already reported in this ACOP report, what other ways has your company supported the vision of the RSPO to transform markets to make sustainable palm oil the norm?

- Engagement with business partners or consumers on the use of CSPO
- Engagement with government agencies
- Promotion of CSPO outside of RSPO venues such as trade workshops or industry associations
- Promotion of physical CSPO
- Providing funding or support for CSPO development efforts
- Research & Development support
- Stakeholder engagement
- No actions taken
