5. Actions for Next Reporting Period

We continue to search for suppliers that can deliver palm oil products with RSPO segregated certification. We audit our suppliers of raw materials with focus on their quality- and sustainability programs and in order to see if our Code of Conduct is respected. An audit visit to some of the smallholders we support by buying their certificates had to be cancelled early 2020 due to the Covid-19 outbreak. We will do this audit as soon as safe; end of this year or early 2021. We will invite some of the Norwegian NGOs for a meeting in order to keep them informed about our RSPO compliance.
