4. Actions For Next Reporting Period

4.1 Please outline activities that your company will take in the coming year to promote the production or consumption of certified sustainable palm oil (CSPO)

We create the possibility to offer RSPO products to our customers and encourage them to move from conventional to RSPO products.

5. Shared Responsibility

The Board of Governors of the Roundtable on Sustainable Palm Oil (RSPO) approved new Shared Responsibility rules on 31 October 2019, requiring all members to share sustainability requirements and obligations. Reporting of Shared Responsibility indicators will be done through several channels, including ACOP. As the implementation of Shared Responsibility reporting is still on-going and in development, the Shared Responsibility section in ACOP is not yet final and may change in future ACOP cycles. For more information on Shared Responsibility, please go to <https://rspo.org/news-and-events/news/what-are-the-new-shared-responsibility-rules> or email the ACOP team at acop@rspo.org

5.7.2 How is your company supporting them?

Support smallholders by raising their awareness and capacity, eventually helping smallholders in getting their RSPO certification. Inefficient palm plantation operation by some smallholders has been identified as one of the factors causing environmental and human rights problems. To help these farmers gain expertise in environmentally, socially and economically sustainable plantation management, in January 2016 the Fuji Oil Group participated in the smallholders support project called the Wild Asia Group Scheme (WAGS), which has been implemented by Wild Asia (an NGO) and our supplier. This project has provided educational support for four years with the aim of improving the productivity and working environment of some smallholders in the supply chain of our group.
