- Low consumer awareness
- Low usage of palm oil
- Risk of supply disruption
- Others

Others

There are many different schemes globally employed by different special interest groups and our company, at this time, believes it is not in our best interest to have to justify why we might support one cause on our package and not others.

5. Actions for Next Reporting Period

5.1 Please outline activities that your company will take in the coming year to promote the production or consumption of certified sustainable palm oil (CSPO)

Continue to only buy exclusively from RSPO providers. Monitor our shortening suppliers' sustainability progress reports and discuss their progress towards implementing RSPO criteria on their palm sourcing.

6. Shared Responsibility

The Board of Governors of the Roundtable on Sustainable Palm Oil (RSPO) approved new Shared Responsibility rules on 31 October 2019, requiring all members to share sustainability requirements and obligations. Reporting of Shared Responsibility indicators will be done through several channels, including ACOP. As the implementation of Shared Responsibility reporting is still on-going and in development, the Shared Responsibility section in ACOP is not yet final and may change in future ACOP cycles. For more information on Shared Responsibility, please go to <https://rspo.org/news-and-events/news/what-are-the-new-shared-responsibility-rules> or email the ACOP team at acop@rspo.org
