3.6 How does your company proactively promote RSPO and RSPO-certified sustainable palm oil and oil palm products to your customers?

We are still in the process of converting the vast majority of our products containing palm oil and palm oil products to RSPO certified raw materials. We are taking a pro-active approach to doing this to fulfill our own Corporate Social Responsibility program goals and our internal supply chain constraints

4. Actions For Next Reporting Period

4.1 Please outline activities that your company will take in the coming year to promote the production or consumption of certified sustainable palm oil (CSPO)

We have not considered doing this at this time. However, the interest is still intriguing and Quaker Houghton will investigate it usage in the future. At this time Quaker Chemical Corporation and Houghton International are in the process of a major merger and trying to combine all processes and systems. This has taken a majority of our resources.

5. Shared Responsibility

The Board of Governors of the Roundtable on Sustainable Palm Oil (RSPO) approved new Shared Responsibility rules on 31 October 2019, requiring all members to share sustainability requirements and obligations. Reporting of Shared Responsibility indicators will be done through several channels, including ACOP. As the implementation of Shared Responsibility reporting is still on-going and in development, the Shared Responsibility section in ACOP is not yet final and may change in future ACOP cycles. For more information on Shared Responsibility, please go to <https://rspo.org/news-and-events/news/what-are-the-new-shared-responsibility-rules> or email the ACOP team at acop@rspo.org
