3.6 How does your company proactively promote RSPO and RSPO-certified sustainable palm oil and oil palm products to your customers?

each time we implement MB on a resource, we convert to MB the complete sourcing whatever the final use in order to reach 100% physically certified palm sourcing by 2025 & we inform regularly our customers about our palm strategy, explaining also what are the RSPO requirements. We now promote also the ASD initiative to support the sustainable transformation of the palm supply.

4. Actions For Next Reporting Period

4.1 Please outline activities that your company will take in the coming year to promote the production or consumption of certified sustainable palm oil (CSPO)

Beside our 100% target by 2025 for physical certification, we have joined in 2020 the ASD initiative and we participate to its working group. The purpose is to better monitor transparency et risk analysis linked to the palm supply chain & to work collaboratively with the stakeholders on order to mitigate risks. All together we are stronger to support production & consumption of certified sustainable palm oil.

5. Shared Responsibility

The Board of Governors of the Roundtable on Sustainable Palm Oil (RSPO) approved new Shared Responsibility rules on 31 October 2019, requiring all members to share sustainability requirements and obligations. Reporting of Shared Responsibility indicators will be done through several channels, including ACOP. As the implementation of Shared Responsibility reporting is still on-going and in development, the Shared Responsibility section in ACOP is not yet final and may change in future ACOP cycles. For more information on Shared Responsibility, please go to <https://rspo.org/news-and-events/news/what-are-the-new-shared-responsibility-rules> or email the ACOP team at acop@rspo.org
