1. Operational Profile

1.1 What are the main activities of your organisation?

The World Association of Zoos and Aquariums (WAZA) is the global alliance of regional associations, national federations, zoos and aquariums, dedicated to the care and conservation of animals and their habitats around the world. The membership consists of nearly 400 leading institutions and organisations around the world, and this number continues to grow. WAZA promotes cooperation between leading zoos, aquariums, national and regional associations, as well as with leading wildlife experts, academics, and universities. WAZA provides support for species-conservation management and husbandry of animals in human care, while encouraging the highest standards in member institutions. WAZA has formed partnerships with leading international conservation organisations, committing its members to tackle global issues such as the illegal wildlife trade, coral-reef restoration, marine litter, sustainable palm oil and climate change.

1.2 What activities has your organisation undertaken to publicise programmes to support the RSPO, RSPO certification, the uptake of RSPO-certified sustainable palm oil and oil palm products, or to support good standing RSPO members during the reporting period?

During 2019, at the annual conference of the World Association of Zoos and Aquariums, a workshop on how zoos and aquariums can be involved in Sustainable Palm Oil programmes was conducted. The WAZA Sustainable Palm Oil Subcommittee continued working on plans for 2020. Committee members presented at conferences in Canada and Malaysia promoting the RSPO and CSPO. The partners needed to develop a global app were identified and have moved to the planning stages. Work was done on a website that will be launched in 2020 that will give Zoo's and Aquariums the tools they need to create palm oil awareness programs as well increase site use of CSPO.

4. Shared Responsibility

The Board of Governors of the Roundtable on Sustainable Palm Oil (RSPO) approved new Shared Responsibility rules on 31 October 2019, requiring all members to share sustainability requirements and obligations. Reporting of Shared Responsibility indicators will be done through several channels, including ACOP. As the implementation of Shared Responsibility reporting is still on-going and in development, the Shared Responsibility section in ACOP is not yet final and may change in future ACOP cycles. For more information on Shared Responsibility, please go to <https://rspo.org/news-and-events/news/what-are-the-new-shared-responsibility-rules> or email the ACOP team at acop@rspo.org
